Student Government's objective is to:

Advocate: Student Government serves as the official voice of the student body. We meet regularly with university leaders to make sure student perspectives shape university decisions.

Support: SG helps fund and manage essential services that support your success both inside and outside the classroom. These services are focused on comprehensive student support, all available to **every Knight**.

Provide: We host events year-round to create opportunities for students to connect, celebrate, and build community through various programming.

The SG Tradition

- **Get Involved Through SG:** Join the Executive, Judicial, or Legislative branch as well as our Election to develop leadership skills and serve the student body.

Join the UCF Community: Participate in intramurals, sport clubs, or one of 600+ student organizations — *many supported by SG funding!*

Make an Impact on Campus: Volunteer or apply for leadership roles with SG agencies through the Office of Student Involvement to help shape student life.

Be Part of the Tradition: Attend SG hosted events signature programs like Universal Knights — *and vote in SG elections to help shape UCF's future!*
